Week 03

Kia ora koutou e te whānau o Hāto Paora,

Our Olympians are incredible athletes. All of them are at the top of their sport. They can call themselves Olympians.

One of the Olympians is a former student of St Paul's School, Nina Brown. Her mother rang me prior to the announcement of her being in the Olympic Team. She was so proud. She is taking part in synchronised swimming. I saw her on

television being interveiwed prior to her event. She was very excited and nervous. I know she is very well-prepared and will do her family and country proud. She was a very hard-working student and very goal driven. We are proud of her too.

Parents, this is a reminder that children should not be at school before 8.15am. Teachers are in their rooms from 8.15 and classrooms will be open from then. If you need to drop your child to school early please use Before School Care.

I know I have said this before but parents are the first teachers. This is not a cop out. At St Paul's we try to foster a home-school partnership. Our job is to deliver the curriculum to our children and we really appreciate your support in doing this. It is wonderful that you support with Reading Nights, Spelling, Mathematics and Religious Education homework when required.

One of the ways to support improvement in Writing (by this I mean writing stories, descriptions, reports etc) is to focus on oral language. Lots of talking, getting the children to say their sentence for spelling before they write it in their homework diary, and giving the children talking frames, e.g. I like lollies because...Ask your children open questions, not just closed ones, e.g. Why? How?

Ngā mihi nui kia koutou katoa,

Mary Zellman
