## Our Mission Statement

St Paul's School Massey provides quality education for children in a Catholic community committed to Gospel Values.

## The Gospel of Mark 12:28-34

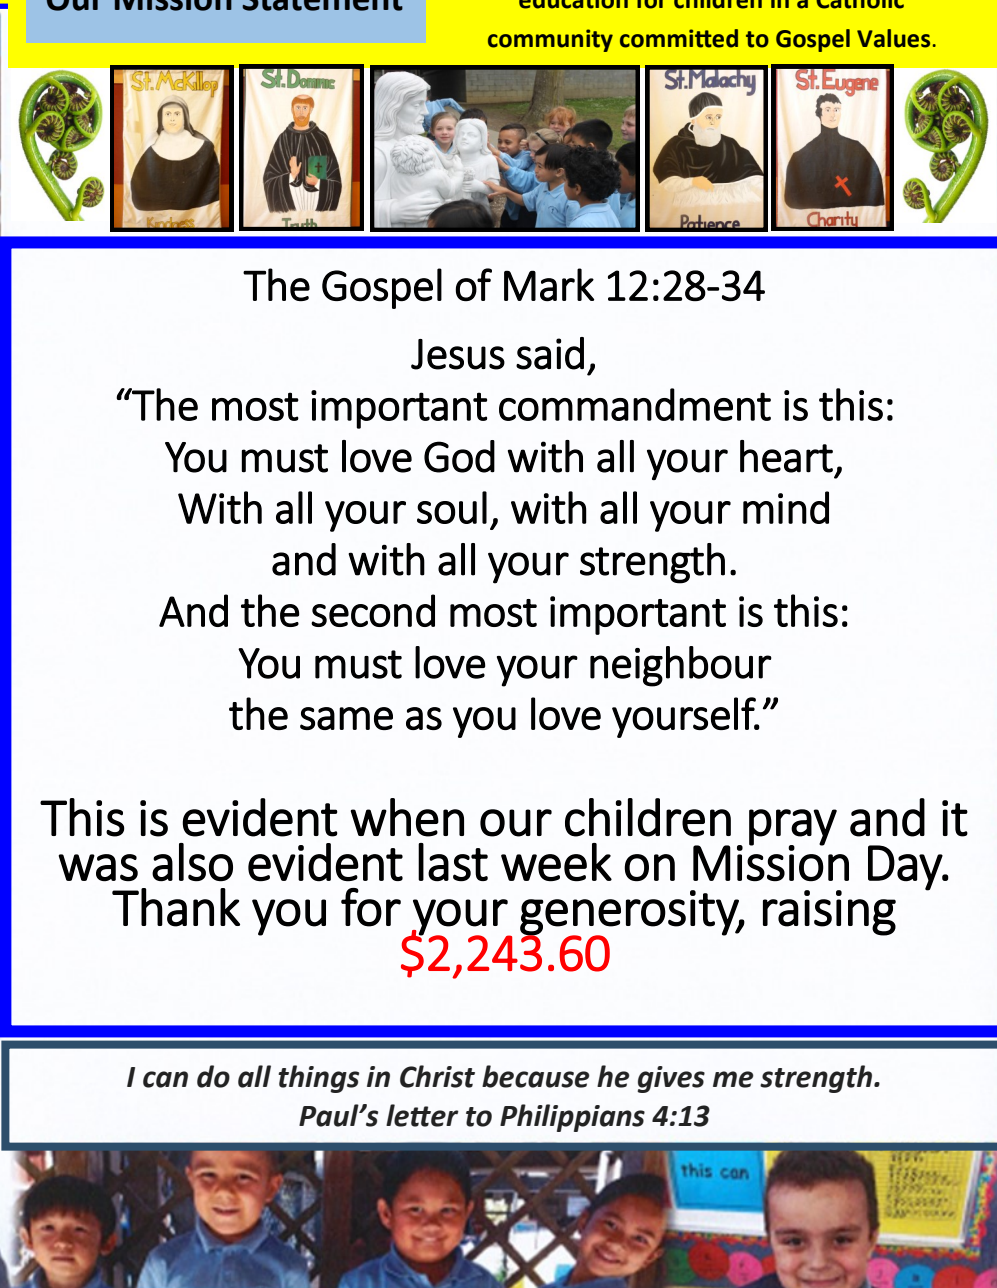

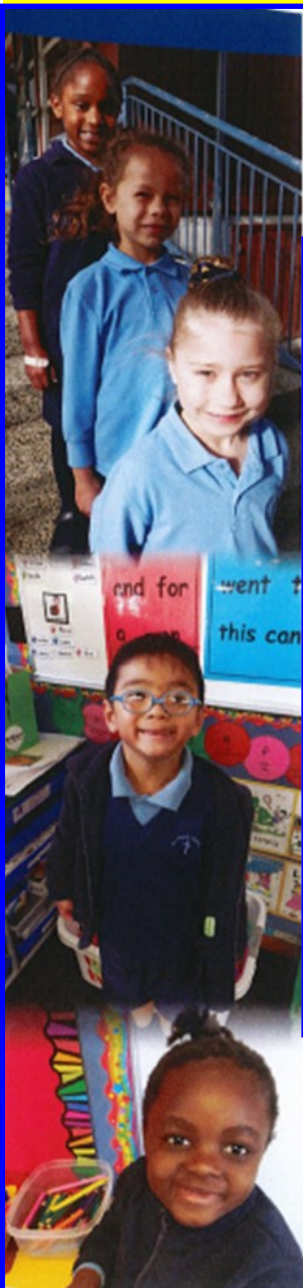

Jesus said,

“The most important commandment is this:  
You must love God with all your heart,  
With all your soul, with all your mind  
and with all your strength.

And the second most important is this:  
You must love your neighbour  
the same as you love yourself.”

This is evident when our children pray and it was also evident last week on Mission Day.  
Thank you for your generosity, raising

## Week 04

Kia ora koutou e te whānau o Hāto Paora,

Earlier in the year the Education Review Office conducted a review of St Paul's School.

In brief some findings:

- A responsive curriculum that meets the learning needs of the diverse community of learners
- Teachers empower learners to be engaged, confident, enjoy learning and are successful
- Faith-filled respectful learners who love, trust in God and are servant leaders
- Learners feel valued and are comfortable in expressing their faith, cultures, languages and identities
- The greatest shift that occurred in response to the school's action was improved confidence and growth in oral language as a result of learners working collaboratively
- Outcomes for learners are excellent and equitable
- Leaders foster and sustain a culture of quality teaching with equitable and excellent outcomes

Mary Zellman continued...

- Teachers set high expectations for achievement
- Evaluation is valued and becoming embedded in supporting continuous improvement.

Included in this newsletter is a copy of the School Evaluation Report.

Nga mihi nui kia koutou katoa,
